For those who use Facebook, the village Facebook page is a good source of up to date information on a variety of topics and, if you need to find the answer to a question, there is usually someone who can help you. Search Facebook for:

## **Littleham and Landcross Community**

November 2021

We hope that you are settling very happily into your new home.

This leaflet is to help you discover much of what you will need to know about the village and your various needs. We have not covered everything but you will be sure to have good neighbours who will be more than willing to help.

If you are keen to join in with village life, provide help running events, etc., you will be most welcome. We are always looking for good organisers and those who like to take part in any way.

We look forward to meeting you.

**Littleham and Landcross Parish Council**
